Children play with hula hoops on a grassy field.

A community is a group of people. The group might work or play together. You are part of many communities. Here are four.

Neighborhood

Neighbors (above) are people who live nearby. They are part of your neighborhood community.

Classroom

Students play and work together. Your classmates are your school community. Your teacher too.

Sports

Teammates practice and play together. The players and coach are a community. Go team!

Club

Do you go to art class? Play chess? Play music in a band? That group is a community.
