People care for their communities. Think of the communities that you are part of. What can you do to pitch in? How can you make these communities stronger? There are lots of ways to help.

Clean up.

Throw away your trash. Clean up other trash you see. Friends can plan a cleanup day. Grab some gloves and get started!

Give.

Do you have clothes that do not fit? Donate them. Give away food or toys that your family does not need. Someone else can use them.

Volunteer.

This is a soup kitchen. It provides food. You can volunteer to serve. Many charities need helpers. Ask an adult to help you find one.

Help out.

Be kind to others. Ask what they need. Good deeds inspire people. Kindness will make your community better.
